Copper Chimney honours the culinary legacy of Undivided North India—from Peshawar to Delhi—through recipes and techniques pioneered by our founder, Mr. J.K. Kapur.

For over 50 glorious years, we have remained true to this legacy, bringing the flavours of North India to tables across India. Today, our presence spans over 21 Copper Chimney outlets across the country. Here, every curry simmers for hours, lentils slow-cook, biryanis are meticulously layered, and each piece of bread is baked to perfection.
